

# Celebrate the day your baby entered the world...

Here's a way to enhance Milford Regional's maternity care for years to come...

**T**here's nothing more precious than your newborn baby... and no time more special than the days you spent at Milford Regional as your baby was brought into the world. Now there's a special way to remember your baby's birth while benefiting the Maternity Center now and in the future.

With a gift of just \$250, your baby will be remembered with a rocking horse plaque on our *Maternity Memories Wall*. Your baby's plaque will include an etching of your baby's name and birthdate in soft colors to coordinate with our Maternity Center.

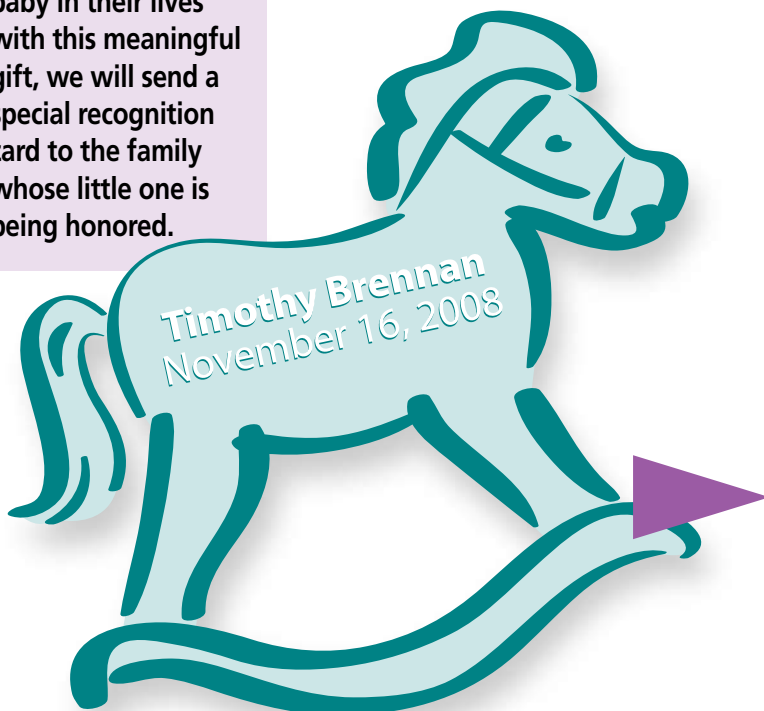

**A plaque on our Memories Wall is a perfect Christening or Naming Ceremony gift...or a meaningful way to celebrate a child's birthday!**

**When grandparents, godparents, other relatives or friends choose to honor the baby in their lives with this meaningful gift, we will send a special recognition card to the family whose little one is being honored.**

Thank you for choosing Milford Regional as the place to bring your little one into the world...and thank you for considering a gift that will make continuous expansion, enhancement and excellence in our Maternity Center possible.
